

Ultra Classic | Single & Multi-Month Plans How to Activate – Quick Reference Guide

December 2019

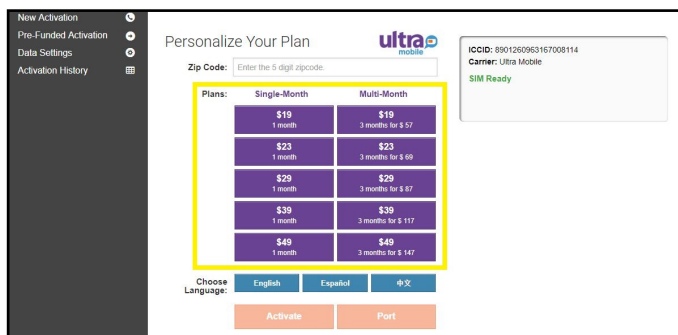

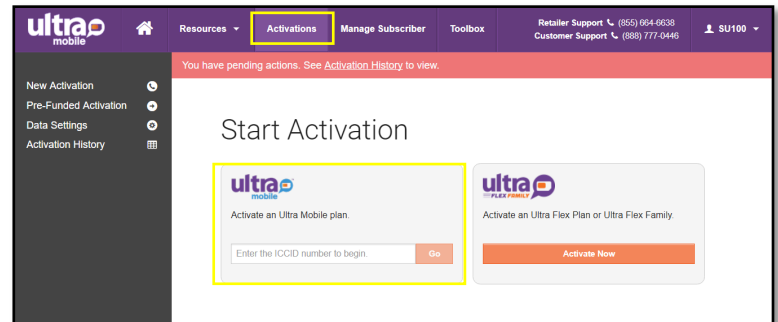

IT'S IN THE PLAN | ULTRAMOBILE.COM

Step by Step Activation Guide

Step 1: For new Ultra Activations, Log in to UltraAgents.com

Click on the *Activations* Tab

For both Classic or Multi-Month activations, you will need to enter the **19 digit SIM card** to continue

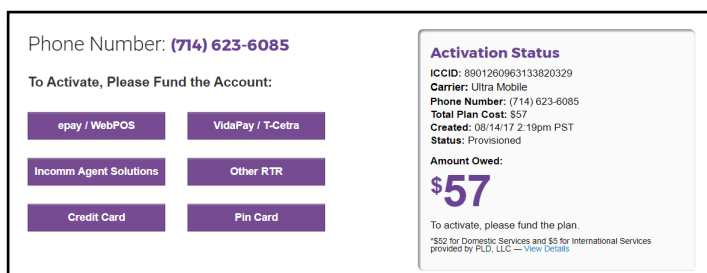

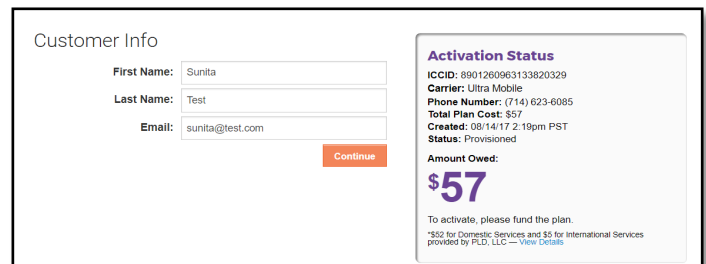

Step 2: Once SIM has been verified, you will be taken to a Personalize Your Plan page. You will see the Ultra Classic Single & Multi-Month plans displayed.

Enter **valid zip code**, **select plan & language**, and then press **Activate** to continue.

Please Note: Add-Ons for Multi-Month plans (UpData, UpIntl and UpGlobe) can only be purchased after initial activation.

Step 3: Enter the customer's information to continue.

Step 4: Fund the activation using the TSP of your choice or your customer's credit card.

Step 5: Place the SIM in your customer's phone and that's it!

Instant Spiff! Get paid your Spiff instantly by processing the payment via one of our authorized TSP. Refer to the *Monthly Compensation Guide* found under *Resources/Incentives* on UltraAgents.com for additional details.
