General. Other taxes, fees, and restrictions may apply. Pricing, plans, services, and features subject to change with plan changes and at any time and without notice. Plans must be activated within 45 days of purchase. Unlimited Data. Includes plans up to 40GB of 5G and/or 4G LTE data and means speeds will be slowed to a max of 128 kbps after use of monthly allotment or during times of network congestion. Data on 250MB plan is capped after data threshold is reached. One month equals 30 days. Partial megabytes rounded up. Unlimited on handset and network only. Video streams at Standard Definition quality (about 480p) on Unlimited Plan and 15GB Plan. Hotspot. Tethering or hotspot data usage draws from monthly allotment of high-speed data. Unlimited plan is limited to 10GB per month. Usage Limitations. 5G and/or 4G LTE access requires a capable device and SIM within an appropriate coverage area. Actual availability, speed, and coverage may vary. uTalk. Int'l calls limited to 10 unique numbers per month. Limited to certain plans. Minutes capped at different amounts for different countries and rounded up. See [www.ultramobile.com/utalk/](http://www.ultramobile.com/utalk/) for minutes and countries. Int'l long-distance services are provided by PLD, LLC. PLD is not affiliated with Ultra Mobile. Overall Best INTL Rates Worldwide based on price and similar service comparison in December 2020. Auto Renew. Account activation and credit card or debit card required. Other Terms. Ultra Mobile service is provided by UWN, Inc. Use of Ultra Mobile service is subject to the Ultra Mobile Terms & Conditions. See [www.ultramobile.com/terms/](http://www.ultramobile.com/terms/) for details. © 2021 Ultra Mobile.
